OLD BUSINESS

1. Service Report (bio-solids, tree planting, grass planting, Gevik Site, Water Festival)

Bio-solids: 2025 contract is with the City of Sioux Falls. **Trees:** 23 acres are planned. Customers are concerned about the drought. **Grass:** 350-400 acres are planned. Half of that is CRP. **Gevik Site:** Kiosk and signs are in process. Trying to organize a controlled burn for the site. Working with Wall Lake Township to fix a road issue. **Water Festival:** Volunteers have been secured for the event. All latex must be removed from the first aid kits and presentations. 10,000 copies of the newsletter have been sent. An insert will be placed in the paper about the conservation district, including the order form.

NEW BUSINESS

1. Truck Expense Report

Parker presented a report listing expenses incurred on the 2002, 2006, 2009 and 2010 trucks owned by the conservation district. We may need to think about replacing a couple of them in the future.

2. Equipment Report – 15' Drill

The 15' drill is torn apart and will need repair. \$5,647.00 in parts will be spent this year. We may get 3 more years of use on the drill before it needs to be replaced. All other equipment is workable.

3. NACD Annual Investment

MSP to pay the annual investment of \$775.00 (gold level) by Rick and Allen. All eyes.
